

Golden Village Brings Movie Experience to the Max with Blockbuster Marathons
Exclusive triple-bill movie marathon for "Spider-Man 3" and "Ocean's Thirteen" at Golden Village cinemas

Singapore, 27 April 2007 – This blockbuster season, Golden Village will organize 2 movie marathons for Hollywood's most anticipated blockbuster threequels: the super hero film *Spider-Man 3* and *Ocean's Thirteen*.

Patrons can expect to see all three films of Spider-Man and Ocean's in its entirety back to back and win big prizes during the blockbuster season from 1 May to 1 July, 2007 where Golden Village is also organizing a "Watch Scratch and Win" campaign. Golden Village's cinema promotion offers cinema-goers up to 11,000 prizes to be won daily. Details of the promotion are available on www.gv.com.sg.

"At Golden Village we are always looking to organize programs where customers enjoy THE GOLDEN VILLAGE EXPERIENCE at our cinemas" says Kenneth Tan, Managing Director of Golden Village Multiplex. "Both the triple-bill movie marathons are definitely going to be a big hit with our Singapore movie-going audience who are always looking for special activities at the cinemas. Movie marathons are like food buffets - people simply love them!"

About "Spider-Man"

In 2002, one of the world's most popular comic book heroes made his leap to the big screen. Released in conjunction with the 40th anniversary of the web-slinger's first appearance in a comic book, Spider-Man centers on an ordinary student named Peter Parker (Tobey Maguire) who, after being bitten by a genetically-altered spider, gains superhuman strength and the spider-like ability to cling to any surface. He vows to use his abilities to fight crime.

About "Spider-Man 2"

Two years have passed since the mild-mannered Peter Parker walked away from his longtime love Mary Jane Watson (Kirsten Dunst) and decided to take the road to responsibility as Spider-Man. Peter must face new challenges as he struggles to cope with "the gift and the curse" of his powers while balancing his dual identities as the elusive superhero Spider-Man and life as a college student. The relationships Peter holds most dear are now in danger of unraveling in the shape of Dr. Octopus.

About "Spider-Man 3"

Peter Parker has finally managed to strike a balance between his devotion to M.J. and his duties as a superhero. But there is a storm brewing on the horizon. When his suit suddenly changes, turning jet-black and enhancing his powers, it transforms Peter as well, bringing out the dark, vengeful side of his personality that he is struggling to control. Under the influence of the suit, Peter becomes overconfident and starts to neglect the people who care about him most. Forced to choose between the seductive power of the new suit and the compassionate hero he used to be, Peter must overcome his personal demons as two of the most feared villains yet, Sandman and Venom, gather unparalleled power and a thirst for retribution to threaten Peter and everyone he loves.

About "Ocean's Eleven"

Dapper Danny Ocean (George Clooney) is a man of action. Less than 24 hours into his parole from a New Jersey penitentiary, the wry, charismatic thief is already rolling out his next plan. Following three rules — don't hurt anybody, don't steal from anyone who doesn't deserve it, and play the game like you've got nothing to lose — Danny orchestrates the most sophisticated, elaborate casino heist in history.

In one night, Danny's handpicked 11-man crew of specialists — including an ace card sharp (Brad Pitt), a master pickpocket (Matt Damon) and a demolition genius (Don Cheadle) — will attempt to steal over \$160 million from three Las Vegas casinos owned by Terry Benedict (Andy Garcia), the elegant, ruthless entrepreneur who just happens to be dating Danny's ex-wife Tess (Julia Roberts).

About "Ocean's Twelve"

Twelve is the new eleven when Danny Ocean and pals return in a sequel to the cool caper that saw them pull off a \$160 million heist. But 160 million doesn't go as far as it used to. Not with everyone spending like sailors on leave. Not with a mysterious someone stalking Danny and crew. It's time to pull off another stunner of a plan – or plans. This time, their adventure is set in Amsterdam, Rome and Paris.

About "Ocean's Thirteen"

Danny Ocean and the gang would have only one reason to pull off their most ambitious and riskiest casino heist—to defend one of their own. When ruthless casino owner Willy Bank (Al Pacino) double-crosses one of the original Ocean's eleven, Reuben Tishkoff (Elliott Gould); Danny and the gang team up one more time to see if they can break "the Bank."
