

FOR IMMEDIATE RELEASE

Disney Digital 3-D™ *Meet the Robinsons* Screens Exclusively at GV VivoCity from 30th of March

Golden Village is the first exhibitor in Singapore to release exclusively both 3-D and 2-D versions of a film simultaneously

Singapore, 28 March 2007 – Starting from 30 March 2007, GV VivoCity invites movie goers to experience *Meet the Robinsons*, an exciting new computer-animated feature, in spectacular Disney Digital 3-D™. Golden Village will be the exclusive exhibitor in Singapore showing *Meet the Robinsons* in both 3-D and 2-D formats. This will be the first time ever in Singapore that these two versions of a movie will be premiering simultaneously in a cinema.

“As the cinema industry leader in Singapore, Golden Village is proud and excited to be the exclusive Singapore 3-D Digital exhibitor for Disney’s *Meet the Robinsons*, at our beautiful 6-month-new flagship, GV VivoCity. We will also be showing the movie in 2-D at all our cinema locations. This is the first time both formats are simultaneously opening – it will truly be a new domain of cinematic ecstasy!”

The Disney Digital 3-D™ version of *Meet the Robinsons* will be shown exclusively in GV VivoCity Hall 2, which is currently the only cinema in Singapore that can screen Digital 3-D films. Tickets for all performances can be purchased at all GV box offices, online at www.gv.com.sg, or by calling 1-900-912 1234. Rendered in Disney Digital 3-D™ since the very beginning of its production, *Meet the Robinsons* is following the adventures of Lewis, a boy-genius with a love of gizmos and gadgets, and an undying hope of finding the family he never knew. But Lewis' journey takes him to a place even he couldn't have imagined, a place where the impossible no longer exists: the future. When he encounters a mysterious stranger named Wilbur Robinson, he's in for the time-travel of his life as he is whisked off to meet a family unlike any other - the sublimely fun and futuristic Robinsons - who will help him discover a series of amazing and heartfelt secrets about his own limitless potential. Filled with unforgettable characters, clever contraptions, classic villains, and a wide assortment of eye-popping surprises, *Meet the Robinsons* is a film for all family members.

About Golden Village Singapore

Golden Village Multiplex Pte Ltd is Singapore's leading cinema exhibitor with 9 multiplexes housing 73 screens: Yishun, Bishan Junction 8, Tiong Bahru Plaza, Jurong Point, Tampines Mall, Marina Square, Great World City, Plaza Singapura, and VivoCity. The company and circuit are renowned for prime locations, state-of-the-art design, the widest choice of movies, and leading-edge marketing. Film distribution arm Golden Village Pictures Pte Ltd releases an average of 30 to 40 titles per year, ranging from blockbusters such as the MATRIX trilogy, CONSTANTINE and HAPPY FEET to international arthouse hits like THE MOTORCYCLE DIARIES and SUPER SIZE ME.

About Digital 3-D Systems

The Real D 3-D system is provided by Kodak and includes Kodak JMN3000 CineServers driven by unique Kodak software, as well as highly reliable Barco DP100 projectors, equipped with the REAL D Cinema solution.

Movie fans can say good bye to the eye fatigue and dizziness caused by the old 3-D cinema system. The old red and blue 3-D lenses are replaced with new lightweight polarized glasses. Also, the REAL D digital 3-D system uses a single projector that launches left eye and right eye frames in sequence as compared to old 3-D technology that worked with two projectors side-by-side. .
